## Research projects and collaborations

I helped with the design, data collection and execution of the following projects:

- Sept. 2019 – present      **Speech Planning and Monitoring in Parkinson's Disease: A Speech Motor Control Perspective**  
                                   Own PhD project, supervised by prof. dr. Martijn Wieling and dr. Roel Jonkers from the University of Groningen in collaboration with dr. Aude Noiray from the University of Potsdam.
- Sept. 2020 – present      **Articulation and coordination of speech after treatment for oral cancer**  
                                   Collaborative project with the Dutch Cancer Institute (NKI) Antoni van Leeuwenhoek and University Medical Centre Groningen.
- Feb. 2017 – present      **Cognitive strategies in structuring language and music**  
                                   Collaborative project with dr. Dicky Gilbers.
- March 2019 – Sept. 2019      **How does a language evolve and change?**  
                                   Project of prof. dr. Martijn Wieling and Dr. Greg Mills, accepted for Lowlands Science.
- June 2018 – July 2019      **The effect of levodopa and fatigue on dysarthric speech of Slovene patients with Parkinson's Disease**  
                                   Own Master thesis project (supervisor: prof. dr. Martijn Wieling).
- Feb. 2018 – Aug. 2019      **Speech deterioration in Parkinson's disease**  
                                   Research assistant on Jidde Jacobi's PhD project.
- Nov. 2018 – present      **When the voice doesn't speak to the mind: an articulographic investigation of feedback deficits in Childhood Apraxia of Speech via 3D-electromagnetic articulography and ultrasound**  
                                   International collaboration with Dr. Stefanie Keulen from the Vrije Universiteit Brussel on her post-doc project.
- March 2018 – Sept. 2018      **The effect of alcohol on speech**  
                                   Project of prof. dr. Martijn Wieling, accepted for Lowlands Science.
- Sept. 2016 – Feb. 2017      **Backstage Pass: Behind the scenes of the music documentary**  
                                   Own extended Master thesis project (supervisor: dr. Susan Aasman).
- Spring 2015      **Problems with translating entrepreneurship terminology from English to Slovenian**  
                                   Own Bachelor thesis project (supervisor: dr. Marija Zlatnar Moe).
